Please know we are very grateful for your willingness to support Epilepsy Ontario through your fundraising events. It truly makes a difference. To support you and avoid any misunderstandings, we ask that you take a few minutes to review the terms and conditions below. If you have any questions, please contact the Resource Development Coordinator.

Terms and Conditions:

- 1) Fundraising activities must be legal and ethical, i.e. the public perception of the activity must not be injurious to Epilepsy Ontario. Epilepsy Ontario prohibits the following activities in any of our fundraising activities including any fundraising activities associated with third-party events for the benefit of Epilepsy Ontario:
 - a) Programs that raise money on commission;
 - b) Events involving the promotion or support of a political party or candidate, or those which appear to endorse a political activity; and
 - c) Direct solicitation (including but not limited to door-to-door canvassing, telemarketing or internet).
- 2) All events supporting Epilepsy Ontario must have an accompanying Community Partnership Events Agreement submitted, and will require approval to proceed, based on appropriateness of events, and compatibility with our mission and values.
- 3) Epilepsy Ontario will be able to provide information as available about our programs and services depending on the area being supported, may have specific materials that you can give out at your event.
- 4) If requested and depending on availability, Epilepsy Ontario will have one of our staff or volunteers attend your event. The sooner you can indicate if you'd like us to attend, the more likely we can schedule this. Please note that an Epilepsy Ontario representative should be able to come without any additional expense – or cost. (ie will not be required to purchase a ticket to attend).
- 5) Any and all sponsorship asks should be approved by Epilepsy Ontario in order to ensure that a 'double or conflicting ask' does not occur. A list of potential sponsors must be provided to Epilepsy Ontario for approval prior to any approach.
- 6) Epilepsy Ontario must first approve all printed materials, including flyers, posters, tickets, and press releases that include Epilepsy Ontario's name and logos. This is to ensure that Epilepsy Ontario's name and logo are being used in accordance with our guidelines.
- 7) The event must meet criteria set by the appropriate municipal/provincial government(s) if such criteria exist.
- 8) Community Event Organizers may be required to provide insurance certificates upon request by Epilepsy Ontario, depending on the scale and scope of the event.

This information must be made clear in all public communications about the event as required by Canada Revenue Agency guidelines.
- 11) All event proceeds being contributed to Epilepsy Ontario must be received within 30 days of the event.
- 12) Epilepsy Ontario will not assume any legal or financial liability or managerial responsibility for your event.

Income Tax Receipts

Epilepsy Ontario's receipting policies and procedures are based on regulations from Canada Revenue Agency (CRA). We must comply with this legislation in order to maintain our charitable status; therefore, we must have full control over the issuing of tax receipts. All questions and concerns about tax receipting should be discussed before the event, to ensure conformity with CRA regulations. *Please contact us before promising tax receipts to anyone attending or contributing to your event.*

We will be able to issue tax receipts for all straight monetary donations made payable directly to Epilepsy Ontario with no benefit to the donor. Funds and donor contact information must both be received within 30 days of the event or by December 31 of the year of the event, whichever comes first, in order for Epilepsy Ontario to issue a charitable tax receipt for that tax year.

Receipts will be issued for the following tax year if the event proceeds and/or donor information are received after December 31. The receipt will be issued in the name of the person/company that the cheque or credit card is from (tax receipts cannot be transferred).

Depending on the circumstances, we may be able to issue a tax receipt for a portion of ticket prices for events. Epilepsy Ontario will need to receive copies of all expenses associated with the event, as well as proof of fair market value of donated or discounted expenses to determine if there is a portion able to be receipted. Please contact us before your event for more

information.

According to CRA, we are unable to issue tax receipts for corporate sponsorships or donated services. Please be advised that we are unable to issue tax receipts for items donated in-kind, or for auction purchases.

Please note, where we are unable to send tax receipts, we will gladly send thank you letters from Epilepsy Ontario. To facilitate this process, we need your assistance in providing a listing all of the contact information as well as what they contributed.

I have read and agree to the preceding Community Events Agreement information.
